

APPAREL CATALOG

Employee Apparel Catalog and Allowance Program Guidelines

We are excited to introduce the Aegis Healthcare apparel catalog, featuring a wide range of branded attire for our employees. This catalog is accessible to staff across all Aegis Healthcare companies, allowing you to proudly represent our brand in style. Please note the following key points regarding our Employee Apparel Catalog and Allowance Program:

Catalog Overview:

- The catalog offers a diverse selection of branded apparel items, allowing you to choose attire that best suits your preferences.
- All items can be customized with any of the Aegis Healthcare company logos.
- Employees may purchase apparel throughout the year as needed or desired.

Annual Apparel Credit:

- Each full-time employee will receive an annual \$50 credit, accessible on January 1st. (Note: AK has already received the 2024 apparel credit, while Arizona, Oracle, and Utah will receive theirs on May 10, 2024).
- The \$50 credit must be utilized entirely at the time of the initial purchase. If you choose not to spend the full amount, you will not be able to utilize the remaining balance later in the year.

Credit Utilization and Rollover:

- Unused credit will not carry over to the next year.
- Any expenditure exceeding the \$50 credit will be deducted from your paycheck.

Catalog Updates:

- Catalog pricing and item availability are subject to change based on cost considerations and product availability.

Ordering Process:

- Placing an order is simple! Please click on the link provided below and complete a form for your apparel order: <https://forms.monday.com/forms/864faf44cfd7e566887aecbab34d3444?r=use1>
- Ensure all fields in the form are completed accurately.
- Orders will be processed once a month, with all submissions received by the last day of the month being processed the following week.
- Orders must be paid in full before another order is placed.

Payment Process:

- The total purchase cost (minus your apparel credit if applicable) will be deducted from your paycheck after the apparel order is placed.
- Payments can be spread between 1-4 pay periods for your convenience (with a minimum deduction of \$20 per pay period).

We encourage you to take advantage of this program to meet your branded apparel needs throughout the year. Thank you for your commitment to representing Aegis Healthcare with pride.

OUTERWEAR
